About the DFI Educational Trust

The DFI Educational Trust is an independent, 501(c)(3) nonprofit organization established in 2006 by DFI as its charitable arm. The mission of the Trust is to support and encourage individuals in the fields of study related to the deep foundation industry by providing scholarships and opportunities to meet and work with deep foundation industry leaders. Eligibility requirements vary from program to program but in general, scholarships are awarded to full-time undergraduate students in excellent academic standing, who demonstrate financial need, and who are pursuing studies in fields such as civil, geotechnical or construction engineering.
