

## **Dennis W. Boehm**

Dennis Boehm is a Texas native and earned his B.S. from Texas A&M University in 1986. Dennis started with Keller, aka Hayward Baker in 1990, and within years began concentrating on Deep Mixing and Jet Grouting methods and developed innovative solutions for both methods that helped shape the industry. Dennis has authored numerous technical papers on the use of ground modification to support and repair structures and is a regular presenter of ground improvement techniques at various industry conferences and workshops.
