Luca Bruni

Luca has been working in the geotechnical sector since 2000 and, actually he is as the head of the Technical and Tendering Department at INJECTOSOND ITALIA Srl, and is member of the EFFC (European Federation of Foundation Contractors) Executive Committee, representing the Italian Federation of Foundation Contractors (AIF).

He has been active within the EFFC since 2011, when he joined the initial working group that developed the first version of the Carbon Calculator. From 2014 to 2018, and again from 2022 to the end of the project in 2026, he has chaired the EFFC-DFI Carbon Calculator Working Group, participating in various conferences across Europe and the Americas to promote the project.

Since 2021, he has also been a member of the EFFC Sustainability Working Group.

Luca operates in the geotechnical sector since 2000 and has worked on many foundations projects in Italy and abroad (France), first as a project manager and subsequently as a technical director. He is also expert of ISO Standard System 9001-14001-39001-45001
