

## **Chris Nelsen**

Chris Nelsen is a Senior Project Engineer at Delve Underground with 6 years of geotechnical engineering experience and a focus on tunneling and design of underground infrastructure. Chris joined Delve Underground after three years as a field engineer for a specialty geotechnical subcontractor. He graduated from Lafayette College in 2016 with a Bachelor of Science in Civil Engineering and from The University of Texas at Austin in 2018 with a Master of Science in Geotechnical Engineering. Chris is engaged in industry-wide efforts to improve the sustainability of infrastructure projects through the EFFC/DFI Carbon Calculator Task Group, the ASCE Infrastructure 2050 tunnel focus group, and ISI's Envision framework as an Envision Sustainable Professional (ENV SP).
